B.K. PARTHASARATHI

Will the Minister of CIVIL AVIATION be pleased to state:

(a) the names of the organisations that are issued air tickets by Indian Airlines on the receipt of exchange orders duly signed by the competent authority;

(b) the amount outstanding against each of these organisation as on March 31, 2003;

(c) the steps taken to recover the dues from the defaulters during the last three years; and

(d) the amount recovered from each of these defaulters so far?

Answer

MINISTER OF STATE OF THE MINISTRY OF CIVIL AVIATION (SHRI RAJIV PRATAP RUDY)

(a): Indian Airlines issues tickets against Exchange Orders to the Central/State Ministries/Departments, other Government offices and PSUs.

(b): An amount of Rs. 45.76 crores is due from parties for sale against Government Exchange orders. A list of amount due (Rs. 5 lakhs & above) from various offices against sales on Exchange orders as on 31st March, 2003 is annexed.

(c) and (d): The dues are realized in the normal course of business as per the credit terms. There is a regular follow up procedure for overdue invoices. The delay in settlement of invoices in many cases is due to the internal procedures of the Govt. Departments like provision of funds, correlation of invoices with TA/DA claim of concerned officials, non submission of TA/DA claim by concerned officials, pre-audit clearance etc. The suspension of credit facility/legal action is normally considered only in exceptional circumstances. The delayed payments are for the reasons explained above, as such none of these parties can be categorized as a defaulter.
